

Call for Abstracts

EACR-AACR-IACR Conference 2024: *How to Bring Basic Science Discoveries to the Clinic*

Abstract submission opens: 17 July 2023

Deadline (extended) Abstract submission: 16 October 2023

Abstracts can only be submitted online via: www.eai2024.org

Abstract Regulations

With the submission of an abstract to EACR-AACR-IACR 2024, the first author (presenting author):

- Accepts responsibility for the accuracy of the submitted abstract.
- Confirms that all authors are aware of and agree to the content of the abstract and support the data presented.
- Warrants that the data and conclusions presented in the abstract have not been published in the same format and with the same title prior to the date of the conference.
- Identifies any financial interest in products or processes described in the abstract. This information is to be forwarded to the Scientific Committee together with the abstract.
- States that, for studies involving human or animal subjects, permission has been obtained from the relevant regulatory authority and properly informed consent given where appropriate.
- Gives permission for the abstract, when selected for presentation (oral or poster), to be published by the organisers through the conference proceedings and publications.

Please note: submitted abstracts **cannot be withdrawn after 26 January 2024.**

Abstract Format

In order to be considered, **an abstract should respect the following guidelines:**

- The abstract must be submitted in good English. The Scientific Committee reserves the right to reject those abstracts, which are presented in poor English, or may request an immediate revision by the presenter.
- Abstract titles should be brief and should reflect the content of the abstract.
- Commercial names may not be used in the abstract title.
- No more than 10 authors can be listed. Only institutional affiliations, cities and countries should follow.
- Abstracts should be organised under the headings:
 - Introduction
 - Material and method
 - Results and discussion
 - Conclusion
- The online abstract submission procedure will **not** accept abstracts that exceed **2,500 characters (body of the abstract)**

- Abbreviations may be used if standard or if spelled out and defined at the first use. Compounds should be mentioned with the generic name, in lower case. Commercial names are admitted in the text, with an ®, and if in brackets following the generic name, i.e. “generic (Commercial ®)”.
- Supplementary data or appendices will not be accepted.
- Figures or photographs are not allowed. Symbols and structures of drugs are allowed and should be drawn in black and converted to images and inserted as images.

Only the submitting author will receive a confirmation/abstract number by email from the EAI-2024 Conference Secretariat **within 48 hours of submission**. This confirmation of abstract receipt is NOT a notice of acceptance.

If you did not receive a submission confirmation with the abstract number **within 48 hours**, please check your spam and then contact the EAI-2024 support team.

For questions regarding the online submission process, please contact our support team via:
EACR@newway-management.com

Abstract Selection Process

The Scientific Committee will review all submissions and make the selection of abstracts for oral and poster presentations by middle of November 2023. The submitting (presenting) author will receive an email with the result of the review and the Scientific Committee’s decision on the abstract by 16 November 2023 and be given the opportunity **to register to the Conference at the discounted early bird rate until 06 December 2023**.

If a submitting (presenting) author cannot attend, the presenting author should assign a replacement presenter who should register to the conference and present the abstract on their behalf.

The following presentation formats are applicable for EACR-AACR-IACR 2024:

1. **Oral:** the abstract is selected for a 10-minute oral presentation (proffered paper) in a main programme scientific symposium
2. **Poster:** abstracts that have been selected for presentation in poster format, displayed for the duration of the conference. Posters will be grouped by topic and will be displayed, viewed and discussed during specific Poster Sessions. A formal **Poster Defence Session** will be scheduled as part of the conference schedule.
3. **Poster in the Spotlight:** in addition to a poster presentation as above a mini oral presentation is given at a set time in the dedicated Spotlight Session within the Poster Area.

Please note that if the abstract is accepted for oral or poster presentation, the abstract will be published in the conference online abstract publication, but ONLY if one of the authors is a registered participant to EACR-AACR-IACR 2024 and full payment has been received by the advised deadline.

If the presenting author is not fully registered by 26 January 2024 the abstract will not be included in the conference proceedings and publications.

Abstract Submission

Abstract submission procedure

Abstracts must be submitted online, from 17 July 2023 to **16 October 2023**, via the EACR-AACR-IACR 2024 Conference website (www.eai2024.org)

Please follow the instructions on the screen.

Please note:

- When finished with the online submission, please click the **“FINAL SUBMISSION”** button for the final submission of the abstract. As a confirmation of your submission, a message will appear on the screen informing you the abstract has been successfully submitted to our database.
- If you need to edit your abstract at a later stage, please click **“SAVE AND CLOSE”**. This button allows you to update your abstract later on before final submission.
- After clicking **“SAVE AND CLOSE”**, your abstract is NOT submitted. You need to return to the abstract submission page, finalise your abstract and click **“FINAL SUBMISSION”**. If you have not **FINAL SUBMITTED** your abstract by the **deadline of 16 October 2023** your abstract can not be accepted.
- Within 48 hours of submission, only the presenting author will receive a confirmation by email. This confirmation of abstract submission does not mean your abstract has been selected for presentation.
- If you do not receive any confirmation, please contact eacr@newway-management.com following the submission of the abstract (remember to check your junk folder(s) first).
- Submitting an abstract for EAI-2024 does not constitute registration for the conference. **Abstract presenters must register** to attend by following the instructions for registration on the website by no later than **26 January 2024**.

For questions regarding the online submission process, please contact: eacr@newway-management.com

Only abstracts submitted online can be accepted.

Abstracts submitted on paper or submitted as e-mail attachment will unfortunately **not** be considered.

Topics (9) for Abstract Submission are:

“How to Bring Basic Science Discoveries to the Clinic”

- Cell Based Therapies
- Drug Combinations
- Epigenetics
- Immunotherapy / Immuno-oncology
- Liquid Biopsies
- Tumour Microenvironment
- Novel Targets / Undruggable Targets
- Precancer Genome
- Preclinical Models / Mouse Models
